

PRODUCT DESCRIPTION:

The Brand-Rex Augmented Category 6 patch cord is part of the Brand-Rex 10GPlus cabling system. The 10GPlus cabling system is comprised of high performance cables and connectivity which not only provide a reliable platform for all of today's network applications, but is also designed to future-proof networks for the emerging, new higher speed protocols of tomorrow, such as 10GBASE-T. The 10GPlus system is classified as an Augmented Category 6 and Class EA product set that is fully backward compatible to Category 6 (Class E) and Category 5e (Class D) products.

Packaging

- Individually packed in branded, easy tear bags
